CULLMAN COUNTY SPECIAL CALLED COMMISSION MEETING
June 1, 2021

CALL TO ORDER AND WELCOME

Chairman Clemons called the Special Called Commission Meeting to order at 3:00 p.m.

CALL OF ROLL TO ESTABLISH QUORUM

Tiffany Merriman, County Clerk, called the roll; present were Chairman Jeff Clemons, Commissioner Kerry Watson, Commissioner Garry Marchman, County Engineer Bryan Cheatwood, and County Attorney Emily Johnston. Brother Sam Hollis gave the invocation.

NEW BUSINESS

Award Bid # 1351- Roadbed Processing to Good Hope Contracting

Bryan Cheatwood, County Engineer, stated this is the lowest bid, and he would recommend this bid. Commissioner Watson made a motion to approve Award Bid # 1351- Roadbed Processing to Good Hope Contracting. Commissioner Marchman seconded, and the motion passed upon a unanimous voice vote.

Award Bid # 1352-Used roadbed processor attachment (contingent on inspection) to Robert Ingram

Bryan Cheatwood, County Engineer, advised this is the lowest bidder and contingent on inspection; I do recommend this bid. Commissioner Marchman made a motion to approve Award Bid # 1352-Used roadbed processor attachment (contingent on inspection) to Robert Ingram. Commissioner Watson seconded. The vote passed on a unanimous voice vote.

Award Bid # 1353-Liquid roadbed stabilizer to Envirotac South

Bryan Cheatwood, County Engineer, addressed the Commission and stated this is the lowest bidder, and I do recommend this bid. Commissioner Watson made a motion to approve Award Bid # 1353-Liquid roadbed stabilizer to Envirotac South. Commissioner Marchman seconded, and the motion passed upon a unanimous voice vote.

Award Bid # 1354-One used roadbed processor (contingent on inspection) to 4M Iron LLC

Bryan Cheatwood, County Engineer, stated I do recommend this bid to the lowest bidder. Commissioner Marchman made a motion to approve Award Bid # 1354-One used roadbed processor (contingent on inspection) to 4M Iron LLC. Commissioner Watson seconded. Upon a unanimous voice vote, the motion carried.

Additional Liability Premium for 2021 in the amount of \$35,670.45

Emily Johnston, County Attorney, addressed the Commission and stated this is not for new vehicles. This is for existing vehicles that need to be added to our overall liability policy. Commissioner Watson made a motion to approve Additional Liability Premium for 2021 in the amount of \$35,670.45. Commissioner Marchman seconded, and the motion passed upon a unanimous voice vote.

WORK SESSION

The Commission will hold a Work Session on Tuesday, June 15, 2021, at 4:30 p.m. in the Commission Meeting Room.

NEXT REGULAR COMMISSION MEETING TUESDAY, JUNE 15, 2021

Chairman Clemons announced the next commission meeting will be Tuesday, June 15, 2021, at 6:00 p.m. in the Commission Meeting Room.

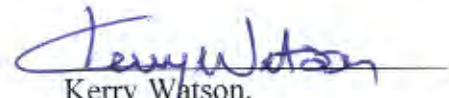

ADJOURN THE MEETING

Commissioner Marchman made a motion to adjourn the meeting. Commissioner Watson seconded, and the meeting was adjourned at 3:03 p.m.

Attest:

Tiffany Merriman,
County Clerk

Jeff Clemons,
Chairman

Kerry Watson,
Associate Commissioner

Garry Marchman,
Associate Commissioner

INVITATION TO BIDDERS

The Cullman County Commission will be receiving bids until 2:00 p.m., Monday, May 24, 2021, in Room 105 of the Cullman County Courthouse, Cullman, Alabama, for Roadbed Processing for the Cullman County Road Dept. and various municipalities in Cullman County. At this time sealed bids will be publicly opened and read aloud.

This bid will a cooperative bid between the Cullman County Commission and the following municipalities and governmental entities located within Cullman County. Town of Good Hope, Town of Colony, Town of Garden City, Town of Dodge City, Town of Holly Pond, Town of Baileyton and the Town of Fairview, Town of West Point, and the Cullman County Board of Education. Each participating governmental entity will be responsible for issuing its own purchase orders, deliver instructions, invoicing, insurance requirements, and issue its own tax exemption certificates as required by vendors.

The award of this bid will be made by the Cullman County Commission on behalf of all indicated governmental entities.

The Cullman County Commission reserves the right to reject any/or all bids and to waive any formalities in the bidding.

Utilizing the item Roadbed Processing based ALDOT Standard Specifications Section 230, by thoroughly pulverizing, blending, and mixing until uniform in texture and appearance, insofar as practical, as determined by the Engineer. Not guaranteed nor limited to an average daily production of 4,690 square yards per day. Contractor to furnish an operator and suitable roadbed processor to reach daily production within 4 hours +/- an hour before 11A.M. On Various Road locations in Cullman County.

 Asphalt Zipper 480
 48" Drum
 BC

For the acquisition of one used Heavy-Duty Soil Stabilizer / Recycler Roadbed Processor / Reclaimer furnished with the following:

***Condition used with no visible leaks and all functions operating correctly.**

***6 cylinder diesel engine 380 to 560 Hp**

***2 to 3 speed Power hydrostat transmission travel speeds 0-8 mph, working speed 0-150 ft/min.**

*** Operating weight 39,000lb to 65,000lb**

*** Heavy Duty Clutch Driven oil bath chain and gear driven drum**

***96 inch Drum with universal style replaceable hardened wear-resistant carbide metal tool.**

The toolholder features multiple bit removal methods and a unique friction ring design to secure it to the rotor, yielding faster replacement and reduced downtime for rotor maintenance.

- A taper and friction ring design secures the toolholders to the rotor without a retaining pin, bolt or setscrew, speeding up replacement time by up to 50% and eliminating the need for fasteners or torqueing
- An anti-rotating toolholder design ensures proper position to prevent wear on the blocks and holders
- Water can penetrate through the toolholder radial access hole to aid tooth rotation for uniform bit wear
- Toolholders are available to accommodate bits with 20 mm, 22 mm and 25 mm shank size bits for various applications (Cat part number 2227570 compatible)

***Hydraulic Depth Control 1 inches to 12 inches depth**

***Four wheel Steering**

***Cab with A/C optional**

****Supplier must make equipment available for inspection prior to bid opening, arrangements for inspection shall be made through Jon Brunner @ 256-736-1336.**

***Supplier must be able to supply company W-9 and documentation that comply with Alabama E-Verify requirements.**

COMPLIANCE WITH THE BEASON-HAMMON ALABAMA TAXPAYER AND CITIZEN PROTECTION ACT

(ACT 2011-535, AS AMENDED BY ACT 2012-491)

By signing this contract, grant, or other agreement, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom. The Contractor is enrolled in E-Verify unless it is not eligible to enroll because of the rules of that program or other factors beyond its control

The requested Safety Data Sheets are included in this packet with our Bid.

For the acquisition of one lot /load of Roadbed liquid stabilizer, hereafter referred to Stabilizer, with the following requirements:

Stabilizer shall be stored and handled in closed, two hundred seventy-five (275) gallon weatherproof containers until immediate distribution on the road. If container consists of a similar size then supplier may specify amount.

The product must be easily applied by personnel with a water truck/distributor used by road construction and maintenance crews.

Product must be classified as non-hazardous for roadway construction applications. A material safety data sheet (MSDS) on the Stabilizer must be submitted with the bid.

Vendor may be required to furnish test results and documentation from independent sources as the effectiveness of the stabilizer. These test reports must include CBR, Triaxial Compression Test, Falling Weight Deflectometer, Resilient Modulus or other relevant test to determine strength.

Preferred Product to be registered with the U.S. Patent and Trademark Office as a soil stabilizer or equivalent.

****Supplier must make equipment available for inspection prior to bid opening, arrangements for inspection shall be made through Jon Brunner @ 256-736-1336.**

***Supplier must be able to supply company W-9 and documentation that comply with Alabama E-Verify requirements.**
