NOTICE:

Under the Health Insurance Portability and Accountability Act, the LGHIP must offer a special enrollment period in addition to open enrollment for those employees who experience a qualifying event such as loss of their other acceptable coverage or the addition of a dependent. However, since the Cullman County Commission already requires that an employee enroll in the plan when they lose other acceptable coverage, special enrollment will only apply to the following qualifying events not related to loss of coverage:

- the addition of a new dependent through birth, adoption or marriage or
- a substantial change in their other acceptable coverage or
- a substantial change in the cost of their other acceptable coverage.

All employees who lose their other acceptable coverage, whether voluntarily or involuntarily must submit an enrollment form to the Cullman County Commission with coverage effective as of the date coverage is lost.

To be eligible for special enrollment an employee must submit a declination of coverage form with proof of other acceptable coverage. Persons requesting special enrollment must notify the Cullman County Commission in writing within 30 days of the qualifying event.

Notification must include:

1. a letter requesting participation in the special enrollment; and
2. a completed Enrollment form; and
3. if proof of the qualifying event is not submitted with the letter requesting special enrollment and the completed enrollment form, the proof listing the reason and date of loss for all individuals affected by loss of coverage (e.g., employment termination on company letterhead) must be submitted within 60 days of the qualifying event.
